In relation to the great depreciation of U. S. Bank notes which has taken place, the Philadelphia Inquirer says that by the trustee arrangement \$12,000,000 of assets was appropriated to pay \$3,000,000 of \$2,000,000 of deposits. Of the notes, \$1.5,0,000 have been exchanged for certificates bearing interest so that only \$1,500,000 are in circulation. The trustees are of opinion that the whole will be eventily paid, although it may be five years bence. Some of the asset them nearly valueless. GRIDLEY'S SALT RHEUM OINTMENT.

From Dr. Ayres, Druegist, Havona, N. Y.

HAVANA, Chemong Co., N. Y., January Lt. 1841,—I certify that

I have sold A. Gridley's valuable Solt Rheum Omtment for six
years past, which has been warranted to cure in all cases. I believe there have not been to exceed three or four cases of its failing in the
many dozens I have sold. Some cases of Scald Head, and one of long
standing in this village, was effectually cured by the use of it, three
years since. I consider it a most invaluable remedy for cutaneous
discases generally; it has taken the place of all other remedies in this
part of the country for several years, and does not run down, but increases he popularity and demand.

Persons sufficed with Salt Rheum, Scald Head. Scrofulous Ulcers,
